Profile

Product designer with 8+ years of experience shaping B2B and consumer products from first sketch to launch. I turn messy problems into calm, usable interfaces and love working closely with engineers and researchers.

Professional Experience

Senior Product Designer Mar 2021 – Present
Northwind Logistics Stockholm

- Led the redesign of the shipment tracking app used by **40,000** drivers, cutting support tickets by 32%
- Built and maintained a design system of 120+ components shared by four product teams
- Mentored three junior designers and introduced weekly design critiques

Product Designer Jan 2018 – Feb 2021
Brightleaf Studio Gothenburg

- Designed onboarding flows for a fintech client that lifted activation from 41% to 58%
- Ran 60+ usability sessions and turned findings into prioritised product roadmaps

UX Designer Jun 2016 – Dec 2017
Fjord Media Uppsala

- Created wireframes and prototypes for editorial tools used by 200 journalists
- Introduced accessibility reviews into the release checklist

Education

MSc Interaction Design Sep 2014 – Jun 2016
Chalmers University of Technology Gothenburg

Thesis on trust signals in delivery-tracking interfaces.

BSc Media Technology Sep 2011 – Jun 2014
Linköping University Norrköping

Projects

Open Tokens 2022
Open-source design token toolkit
github.com/mayal/open-tokens
Small CLI that syncs design tokens between Figma and code; 1.2k stars.
